#10. L. to R. Harry Goulding, winner of the loudest male group; Mr. Norman Brubaker, the best dressed ?; Mrs. Norman Brubaker, the most original lady; Mr. Chris Greiner, male flower child. No, we did not make a mistake. The second from the left is Mr. Norman Brubaker dressed as a lady. He is now known as *"Miss Maidenform of 1969 - Norma Brubaker."* Harry Goulding has a good group there for his quartet. He is trying to get them to sing off key.

#11. L. to R. Sally Golby, most unusual lady; Nancy Morgan, most "hibiscusest"; Charles Schmidt, most authentic; Carroll Jillson, best dressed lady; and Margaret LaPorte, most mod lady. People were worried about Sally's bird on her hat but she said it was OK as he was housebroken.

#12. Mr. & Mrs. Norman Brubaker. Can you tell which is Mr. and which is Mrs?

LABOR DAY 1970

Labor Day comes on September 7th in 1970, so if the chapter that usually takes the first weekend after Labor Day continued to do so it would make all the other chapters one week later.

Since the Jacksonville Chapter has given up their normal date the Sunrise Chapter has asked for this spot next year. They will hold their show on the weekend before Labor Day until 1973 when they can shift back to the weekend after Labor Day once again without throwing all shows one week late.
